

June 2011
NEXT MEETING

Volume 10, Issue 6
June 18, 6:30pm@199

From the President

Our club is involved in many "projects" this year with two under our belt and at least 3 more to go. Late June we have the youth camp, AMA booth for the SSA in July and labor day glider contest.

Mark Sorg and company did the Mt. Comfort Airshow in mid May and it was as successful as possible under the conditions.

CISS was able to help out a much smaller club in early June. The Kendallville glider club, with only 15 members, held a 10 day glider contest for 1-26 and PW-5. Myself and tow plane 898 did the duty. The weather was not good of course but a great time was had by all.

Please plan to participate in these upcoming events it will be great fun.
